Tejash Roy

has successfully completed the online, non-credit Professional Certificate

IBM Applied AI

This Professional Certificate provides a firm understanding of AI, its applications, and its use cases. Learners have become familiar with IBM Watson AI services and APIs. Learners have also grasped how virtual assistant technology works as well as built and deployed an AI powered customer support chatbot on a website. Learners completing this specialization have picked up practical Python skills to work with AI and have used IBM Watson AI services and APIs to create smart applications. They have become familiar with Computer Vision, Watson Visual Recognition and OpenCV and have used them for image processing and creating custom image classifiers. Learners have also demonstrated their proficiency in applied AI by completing several hands on projects.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the

SUB: INTERNSHIP COMPLETION LETTER

We are glad to inform you that Mr Yogesh Joshi from Uttaranchal University, Dehradun has successfully completed his internship with Gaddiwale Car Rentals on the topic "Google Ad-Ons" from 15th December, 2020 to 31st January, 2021.

We found him extremely inquisitive and hard working. He was interested to learn and also willing to put his best efforts and get in to depth of the subject to understand it better.

His association with us was very fruitful and we wish him all the best in his future endeavors.

Best regards,

Vikas Chaugotra
